

How to View Item Application History on the Web-based Purchase Application Interface (Document)

After logging in to the Web interface of OLISS, users can follow steps 1-4 below to operate on the "Purchase Management → Purchase Application" interface (this document uses "spare parts" as an example).

1. Click on "Purchase Application"

2. When there are many documents, you can quickly find the target document through filtering criteria

3. Click on the target document to enter the Purchase Application Details interface

4. For items with an application history, a counterclockwise arrow will appear after the application quantity. Click on this icon to view the application history

Purchase Application No.: PA-P24103002 **Appl.Name:** Please enter

Vessel: LINK OCEAN 1 **Appl. Dept.:** Engine Dept. **Item Type:** Spare Parts

Appl.Date: 2024-10-31 **Supply Date *:** 2024-12-01 **Supply Place *:** 阳江
