

How to view monthly crew schedule details (document)

Users log in to the OLISS Web side , click to enter the "Crew Management → Crew Schedule" interface, and enter the crew schedule list interface by default. Click "Monthly Schedule" to search for ships, crew names, time ranges, etc. in the filter bar. Click "Edit" to view monthly schedule details.

The screenshot displays the OLISS Crew Management interface. The left sidebar contains a menu with 'Crew Schedule' highlighted. The main content area shows the 'Crew Schedule List' with tabs for 'Monthly Schedule', 'Monthly Status', and 'Daily Schedule'. A search bar at the top right contains 'LINK OCEAN 1' and a 'Search' button. A table lists crew members with columns for No., Crew, Rank, Month, Generate Schedule Days, Status, Template Info, and Operation. Red annotations and arrows indicate the following steps:

1. Click to enter the crew schedule interface (pointing to 'Crew Schedule' in the sidebar).
2. Enter the crew schedule list interface by default (pointing to 'Crew Schedule List' in the top navigation).
3. Click "Monthly Schedule" (pointing to the 'Monthly Schedule' tab).
4. Search for ships, crew names, time ranges, etc. in the filter bar (pointing to the search bar).
5. Click "Edit" to view monthly schedule details (pointing to the 'Edit' link in the table's Operation column).
