

How to conduct chart inquiry on the web side (document)

After the chart purchase form is approved, it becomes a purchase plan. Users can initiate chart inquiries on the purchase plan interface.

Users can log in to the OLISS Web side and follow the steps 1-8 below on the workbench/purchase plan interface.

There are two ways to enter the inquiry interface: ① From Workbench → Waiting Task → RFQ ② From Purchase Management → Purchase Plan.

Inquiry Purchase

No.	Appl. No.	Vessel	Purchase Info	Appl.Date
1	PA-C23102501	Ocean Link 01	2 items without inquiry(Total 2 items)	2023-10-25

4. After confirming the enquiry list, click "Select Suppliers"
