

How to view the purchase history of an item in the details interface of the web side of RFQ. (document)

Users can log in to the OLISS Web side and follow steps 1-5 in the "Purchasing Management → Inquiry Management" interface.

1. Click to enter the "Inquiry Management" interface in turn

2. Quickly search for the document of the target item through key information

3. Click on the target document to enter RFQ details interface

4. If a counterclockwise arrow icon appears behind the unit price of the item quoted by the supplier, it indicates that the item has a purchase record before, and clicking the icon can view the historical price
