2. Click "Edit" on the right side of Target User

3. Switchable "Responsible Vessels/ Candidate Vessels(help colleague) interface

4. User-managed or managed vessels can be selected

5. Click "Confirm"

Note:

在用户编辑界面，可以根据需求勾选“自管船”和“代管船”，用户还可以在“船舶权限”界面，选择船舶后，来勾选需要删除的用户，或者新增“自管船/代管船用户”，如下图：

In the user editing interface, users can select Responsible vessels and Candidate vessels as needed by checking the corresponding boxes. Users can also go to the vessel permissions interface, select a vessel, and then check the users they want to delete or add Responsible/Candidate vessel users as shown in the following figure:
